DETAILED ACTION

The applicant's reply filed 9/19/2008 has been received and considered. The applicant has amended claim 22. In light of said amendment, the 25 USC 112 second paragraph rejection over claims 22-25 is withdrawn. All claims are now in allowable form. In order to ensure clarity in the record, the examiner's reasons for allowance are re-stated below as previously presented in the non-final office action mailed 06/23/2008.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: No prior art could be found that taught a resin composition comprising a crystalline polymer and a non-crystalline polyester having the requisite slope of the relaxation modulus when measured at 190 C and at the application of 450% of a shear strain. Furthermore, no prior art directed to a toner could be found that taught the inclusion of such a resin as a binder resin.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Huff can be reached on 571-272-1385. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
